Product Brochure

Golden Grain

Golden Grains, an exceptional organic wheat product cultivated with care in the fertile fields of India. Our commitment to sustainable farming practices ensures that each grain is grown without the use of synthetic pesticides, fertilizers or GMO's preserving the natural purity and nutritional richness of the wheat.

Organic Basmati Rice

Introducing our premium Organic Basmati Rice, cultivated in the heart of India and now available for export. Grown in pristine, pesticide-free fields, our Basmati Rice is a testament to the rich agricultural heritage of the region. Renowned for its distinct aroma, long grains, and fluffy texture when cooked, this organic offering is perfect for those who appreciate the finest quality in every grain. Packed with care, our Organic Basmati Rice is your passport to an authentic culinary experience

EcoSweet Pure Bliss Sugar

EcoSweet Pure Bliss Sugar, your gateway to the natural sweetness of India. Sourced from pristine organic farms, our chemical-free sugar is a testament to the commitment of sustainable and eco-friendly agriculture. We bring you the pure essence of sweetness without compromising on health or the environment.

Organic Multi-Grain Flour - Wholesome Goodness:

Diversify your pantry with our Organic Multi-Grain Flour, a perfect blend of nutrition and taste. Combining the goodness of various grains, this flour adds a nutritional punch to your meals while maintaining the authentic taste of organic wheat. Experience wholesome goodness with every bite.

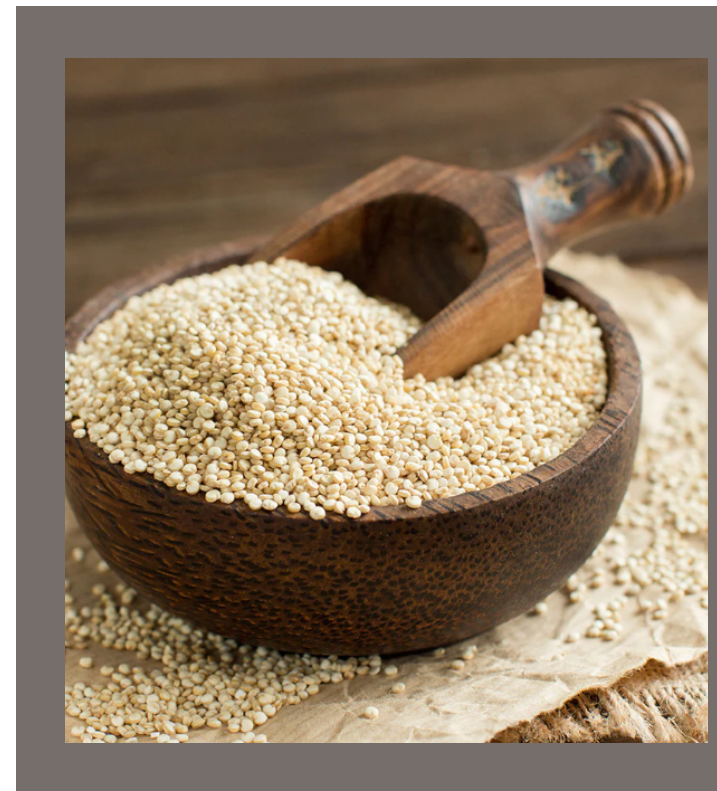

Wheat Bran Cereal

Boost your daily fiber intake with our Wheat Bran Cereal. Made from the outer layer of wheat grains, this cereal is a crunchy delight that supports digestive health. Enjoy it with milk or yogurt for a nutritious and fulfilling breakfast.

Quinoa Royale

Harvested from the pristine fields of the Himalayan foothills, our Quinoa Royale is a nutritional powerhouse. Packed with essential amino acids, vitamins, and minerals, it's a versatile superfood that can be a great addition to salads, soups, or enjoyed on its own.

Aromatic Cardamom Pods

Elevate your culinary creations with the fragrant aroma of our Aromatic Cardamom Pods. Sourced from the spice gardens of Kerala, these pods add a touch of sophistication to both sweet and savory dishes.

Saffron Infusion Delight

Harvested from the pristine fields of the Himalayan foothills, our Quinoa Royale is a nutritional powerhouse. Packed with essential amino acids, vitamins, and minerals, it's a versatile superfood that can be a great addition to salads, soups, or enjoyed on its own.

Jaggery Bliss Bites

Indulge guilt-free with our Jaggery Bliss Bites. Made from organic sugarcane, jaggery is a healthier alternative to refined sugar. These delectable bites are perfect for satisfying your sweet cravings while providing a natural source of energy.

Ginger Zing Immunity Boost

Strengthen your immune system with our Ginger Zing Immunity Boost. Sourced from the lush plantations of Cochin, our ginger is known for its potent anti-inflammatory properties. This infusion is a zesty way to support your well-being.

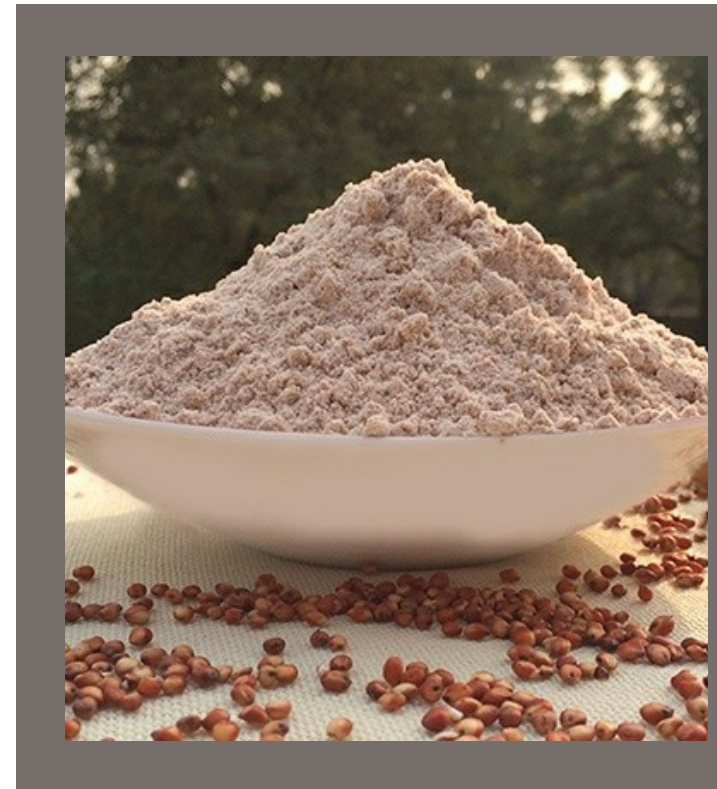

Multigrain Marvel Mix

Introducing our Multigrain Marvel Mix, a blend of ancient grains like amaranth, millet, and sorghum. Packed with fiber, vitamins, and minerals, this mix is a versatile addition to your pantry. Use it in porridge, salads, or as a base for a nutritious stir-fry.

Sorghum Symphony Flour

Experience the nutty flavor and gluten-free goodness of our Sorghum Symphony Flour. Milled from premium sorghum grains, this flour is perfect for baking wholesome bread, muffins, and pancakes. Elevate your gluten-free recipes with the natural goodness of sorghum.

Masoor Dal

Experience the rich flavor and vibrant color of our Radiant Red Masoor Dal. These premium orange-red lentils are carefully selected for their quick-cooking properties, making them perfect for hearty soups, stews, and the quintessential Indian dal.

Moong Dal

Discover the freshness of our Emerald Moong Dal, featuring both split and whole green moong beans. This versatile pulse is a culinary delight, suitable for savory dishes like khichdi and dal, as well as sweet treats like moong dal halwa.

Masoor Malka

Elevate your culinary creations with the Royal Masoor Malka. Whole red lentils without the outer skin lend a rich texture to stews, soups, and classic Punjabi dishes, making every meal a regal experience.

Kabuli Chana

Experience the creaminess of our Creamy Kabuli Chana, featuring large, beige chickpeas. From the iconic chana masala to salads and delightful snacks like chana chaat, these chickpeas are a versatile kitchen essential.

Toor Dal

In the cauldron of memories, Toor Dal stirs the aroma of homecoming, a fragrance that tugs at the strings of the soul. It is more than just lentils; it's a symphony of flavors that resonate with the essence of tradition. Each grain carries the weight of heritage, a silent witness to the rhythm of generations.

Cotton

Introducing our premium Indian cotton, a testament to quality and craftsmanship. Sourced from the rich fields of India, our cotton boasts a luxuriously soft texture and unparalleled breathability. Perfect for apparel, home textiles, and beyond, our export-grade cotton ensures comfort and durability. Immerse yourself in the unmatched natural feel of our Indian cotton, where tradition meets modern excellence.

Dry Fruits

From the sun-kissed orchards of India, where the earth's fingers cradle the bounty of nature, emerges a treasure trove – dry fruits, a symphony of flavors that sing the ancient ballads of the land. In the golden embrace of sunrise, as the first light dances upon the leaves, the fruits prepare for a journey beyond horizons.

Fruits & Vegetables

In the heartland of India, where the soil cradles the dreams of farmers, a bountiful harvest emerges – fruits and vegetables, a symphony of colors and flavors, a testament to the land's generosity. As the morning sun bathes the fields in a golden glow, the fruits and vegetables awaken, ripe with the stories of the land they call home.
